LANDSCAPING
A design-build landscape company.

COMMERCIAL & RESIDENTIAL
We are a premier, full service landscaping company located in Montgomery County, Texas. We are licensed and bonded and offer a wealth of experience and expertise at excellent prices.

Our services include landscape design and creation, lawn services and maintenance, irrigation design and installation, and tree service with debris removal. Our experienced landscapers guarantee clean, prompt service.

Serigo’s Landscaping is a certified, professional landscaping company that has been serving Montgomery County for nearly 20 years, serving both residential and commercial properties.

**SERVICES:**

We provide full service from start to finish. We not only promise to deliver beautiful landscaping, we also ensure that you will never have to worry about clean-up – we leave every site immaculate. We are bonded and insured.
